SKILLS

Languages: C++, Java, JavaScript
Frameworks/Technologies: React.js, Node.js, PHP, MongoDB, Git, GitHub
Soft Skills: Problem-Solving, Teamwork, Adaptability, Quick Learner

PROJECTS

- Chat App** | Node.js, Express.js, Socket.io, MongoDB April 2024
 - Application provides users with a platform for one-to-one instant messaging and collaboration.
 - Implemented features like user registration, one to one chat, message editing and deleting.
 - Gained hands-on experience in backend development and database.
- Music App** | HTML, CSS, Bootstrap, PHP, MySQL June 2024
 - Aim to develop a music streaming application where users can search and create playlists according to their choice.
 - Integrated third-party music API (Jamendo API) to fetch song metadata and stream content.
 - Used MySQL for efficient data storage.
- L SWR Practice App** | Group Project | React.js November 2024
 - The language proficiency testing application aims to provide users with an engaging and interactive platform to test their skills in listening, speaking, writing, and reading.
 - Uses static data for questions and answer matching.
 - Designed an intuitive and user-friendly interface for seamless navigation.

TRAINING

- Data Structure & Algorithms (Ongoing)** January 2025
 - Solving multiple questions on different coding platforms daily.
- The Complete Full-Stack Web development Bootcamp - self-paced |Udemy** November 2024
 - Learned FSD by implementing a hands-on project.

ACHIEVEMENTS

- Solved 100+ problems on LeetCode
- Earned a 5-star badge in C++ on HackerRank

CERTIFICATES

- IBM DevOps and Software Engineering | Coursera November 2024
- Cloud Computing | NPTEL October 2024
- Data Structure Algorithm using C++ | CipherSchools November 2023

EDUCATION

- Lovely Professional University** Phagwara, Punjab
Bachelor of Technology August 2022 – Present
Computer Science and Engineering; CGPA: 7.99
- Delhi Public School** Faridabad, Haryana
Intermediate March 2021 – May 2022
PCM; Percentage: 85%
- Delhi Public School** Faridabad, Haryana
Matriculation March 2019 – May 2020
Percentage: 85%
